October 11, 2022 Meeting Newark regarding monies for TAP Grant

We met on the Licking County Commissioner floor to discuss the monies available for each of five municipalities who have applied for these funds. They developed a timeline to follow as to whose project would go first and who would be pushed back a little. All agreed with the allocations being requested and a plan was set. This will be for our 2024/2025 project.

Public meeting at Ryan-Braden Park regarding the Operating Levy going on the Ballot November 8, 2022.

October 13, 2022 Meeting with Jennifer and Joseph Robertson, Managing Partner Public Finance, HillTopSecurities. He was referred to us through Grow Licking County.

He discussed the Municipal Bond idea to be able to build a new Fire Station and new Police Station on our property at Mill Dam Road. He will be excited to come back and discuss this with all Council after November 8th, 2022.

October 14, 2022 Attended the 2022 Summit on Sustainability
