- BLRC Trials Committee (Terry Fisher): August 20, 2022 Tour de Buckeye Lake
- Government Affairs: (Kitty)
- Watershed Report: (Matt Baumann)
- New Business/Open Floor

BLRC voted to form a CIC (Community Improvement Corporation)

Attended the Buckeye Lake Fire Department for a great cookout for the Kiddos: July 15, 2022

Our fire truck was brought back and the medic along with the Police cruiser. Hot dogs were donated by Andy Ritteberger provided chips too.

Lieutenant Amspaugh turned on the fire hose and the kiddos had a blast playing in the water if for only a few minutes. Officer May and Dallas showed up and the kiddos loved seeing Dallas. All had a great time at the parking lot of the brand-new Recreation Center at Ryan-Braden Park.

July 18, 2022 Meeting with Leads education division to have them sign over to us the little tikes play set to be placed at Ryan-Braden Park.

Fund raiser aboard the Queen of the Lake III : July 19, 2022

I unfortunately did not make the event as I missed the boat as one would say.

Meeting with Mark Hoffhines ODNR Ranger: July 20, 2022

Discussed several items and will meet again when he returns from his two-week vacation.

OMH Public view comprehensive plan: July 21,2022

Presenters: Kim Litton, Jim Lenner, Morgan

Several easels were set up with different views of our community and the public was encouraged to get up and make comments on post-it notes and put stickers on where they would like to see improvement business, housing, walking paths and biking. Talked a little about wetlands, the beauty of our area is our Lake. We are a very unique community with great potential. Before our public meeting Council President Linda Goodman invited all to go to the museum to view our history.

Remember everyday I am feeding the children lunches at the Ryan-Braden Recreation Center. From Monday through Friday. I drive to the Salvation Army in downtown Newark about every other day to pick up the lunches.

Also please note that I will be on a family visit to Massachusetts from August 4 returning on August 10, 2022. If anyone needs me, I always have my phone on me and can retrieve emails.

All take care respectfully submitted

Mayor Jeryne A. Peterson

Whereas, LEADS Head Start (LEADS) has enjoyed serving the Buckeye Lake community for many years; and,
Whereas, LEADS Head Start is moving its Buckeye Lake operations to Pataskala in response to an increasing need for services in the western part of the county due to continued economic development in that area; and,
Whereas, LEADS will continue to have a presence in Buckeye Lake through a service center and food pantry on First Street; and
Whereas, LEADS has agreed to provide the Village of Buckeye Lake (the Village) with the opportunity to take possession of certain surplus playground equipment items from the Buckeye Lake Head Start facility; and,
Whereas, this is a no cost agreement and neither party will compensate the other party for the equipment nor the labor associated with the removal, installation, inspection, or upkeep of the equipment; and,
Whereas, the Village of Buckeye Lake acknowledges that LEADS makes no claims regarding the condition or worthiness of said playground equipment items; and,
Whereas, LEADS recommends that the Village inspect the equipment for condition, quality, and safety before putting it into service; and,
Furthermore, the Village agrees to hold LEADS harmless from any liability associated with the removal, installation, inspection, and use of the equipment.

By signing below, each party agrees to the terms listed above.

Nathan Keirns
