WHEREAS, the Village of Buckeye Lake currently regulates land uses within the Village limits in accordance with the Village of Buckeye Lake Official Zoning Regulations, pursuant to its Home Rule Constitutional authority and the Ohio Constitution; and

WHEREAS, pursuant to Charter Section 3.12(a)(2), Council has the legislative “power to adopt or enact codes and regulations to provide for public safety and welfare, nuisance abatement, planning and zoning, building and housing, parks and recreation, regulation of any trade, occupation or business that might injuriously affect the public health, safety, morality or welfare of the Village, public improvements, public utilities, traffic control, and such police, sanitary and other similar regulations as are not in conflict with the general laws of the state of Ohio and the Constitution of Ohio;” and

WHEREAS, pursuant to Charter Article 7 a Planning and Zoning Commission is established within the Village of Buckeye Lake, and, pursuant to Charter Section 7.01(c), its purpose “is to preserve and promote the public health, safety and welfare by means of regulations and restrictions enacted to: 1) encourage the orderly growth and development of the Village; 2) develop and update a five-year plan for the growth and development of the Village; 3) provide for adequate light, air, open space and convenience of access and protect against fire and natural hazards through planning; 4) maintain and enhance the value of buildings, structures and land throughout the Village through planning; and 5) make advisory recommendations concerning zoning matters as it believes to be in the best interest of the Village;” and

WHEREAS, recent land use applications seeking development authorization and permits in various Village General Business (GB) zoning districts do not appear to be consistent with the goals and vision as expressed in the Official Zoning Regulations Preamble as stated, “dividing the village into zones and districts, encouraging, regulating and restricting therein the location, construction, reconstruction, alteration and use of structures and land; promoting the orderly development of residential, business, industrial, recreational, and public areas; providing for adequate light, air, and convenience of access to property by regulating the use of land, buildings and the bulk of structures in relationship to surrounding properties; limiting congestion in the public right-of-way; providing for the compatibility of different land uses and the most appropriate use of land; and powers and duties of the administrative officers as provided hereafter, the prescribing of penalties for the violation of the provisions in this ordinance or any amendment

thereto; all for the purpose of protecting the public health, safety, comfort, and general welfare;”

WHEREAS, the Village of Buckeye Lake Planning and Zoning Commission and Village of Buckeye Lake Council require three (3) months of time in which to review existing and proposed land use codes and regulations as they affect land use development in General Business (GB) zoning districts within the Village, and specifically those zoning districts along SR-79, Walnut Road, to ensure that all land use development proceeds in a manner that is consistent with the development plans of the Village and long-term and short-term sustainability goals of the Village; and

WHEREAS, The Village of Buckeye Lake Planning and Zoning Commission has already prepared revised Official Zoning Regulations for consideration and now desires time to analyze and assess the current regulations and proposed revisions affecting development within General Business (GB) zoning districts; and

WHEREAS, a moratorium through an emergency resolution on all development applications will enable a reasoned discussion and consideration of desired amendments to the Village of Buckeye Lake Official Zoning Regulations, without creating a rush of development applications and the related effects upon the community; and

WHEREAS, the Village Council has determined that it is necessary to declare an emergency for the preservation of public property, health, peace, and safety with the imposition of a temporary moratorium on the acceptance, processing, and approval of land use applications for development authorization and permits by the Village of Buckeye Lake;
